

FREE MINT | NFT Access Card - Redemption

Deep Details on the Hoodinals Discord Roles Acquisition

The Free Mint of the NFT Access Cards gives you an opportunity to early grab and secure yourself a chosen Role and later on a Free NFT character of that Role (that you can stake through the Rune NFTs Staking Protocol to earn Rune token or else get an actual player character) in our upcoming Web3 games platform depending on the number of NFTs you are able to Free Mint and you choice to Redeem for a Role.

In this presentation, you will learn more about:

I) Roles Acquisition requirements

-The Number of the Free Mint NFT Access Cards that you need to be able to acquire a Role.

II) An overview of the Staking Rune NFT Characters in our upcoming Web3 Platform

-The Max Staking Rune NFT Characters of that Role
-The cost in USD pay in Rune token of that Staking Rune NFT Character (attention: these prices are just an estimation and not officially attributed. The costs may change in the future when the Web3 Platform is ready for production launch).
-The Rune token Reward per month for each Staking Rune NFT Character.
